Miniature Ceramic Resonator

6.0 x 3.0 x 1.8 mm
RoHS/RoHS II Compliant
Pb in ceramic, exemption (7c-I)
This product is not Moisture Sensitive - MSL = 1

Features

- Industry standard footprint
- Low resonance impedance
- Built-in capacitance options
- Wide operating temperatures in extended industry range

Applications

- Metering systems
- Remote control
- Microprocessor
- Industrial control
- Electric appliances

<td>T4 = 4000 pcs/reel</td>
</tr>
</tbody>
</table>

* Please refer to Electrical Specifications table

### Test Circuit and Conditions

Parts shall be tested under the condition (Temp: 20 °C ± 15 °C, Humidity: 65 ± 20 % R.H.) unless the standard condition (Temp: 25 °C ± 3 °C, Humidity: 65 ± 10 % R.H.) is regulated to measure.

Caution

1. Do not apply excess mechanical stress to the component and terminals during soldering. Do not use this product if it is bent or damaged.

2. Do not clean or wash the component for it is not hermetically sealed.

3. Do not use a strong acidity flux with more than 0.2 wt% chlorine content during soldering.

4. Do not place or use the item close to fire.

5. Please ensure the component is thoroughly evaluated in your application circuit as the specification mentions the quality of the component as a single unit.

6. Expiry date (Shelf life) of the products is 12 months after the date of delivery under the conditions of a sealed and an unopened package. Please use the products within 12 months after delivery. If the item is stored for more than 12 months, use caution before use as the item may be degraded in the solderability or develop rust. Please confirm solderability and characteristics for the products regularly.

ATTENTION: Abracon LLC's products are COTS – Commercial-Off-The-Shelf products; suitable for Commercial, Industrial and, where designated, Automotive Applications. Abracon's products are not specifically designed for Military, Aviation, Aerospace, Life-dependent Medical applications or any application requiring high reliability where component failure could result in loss of life and/or property. For applications requiring high reliability and/or presenting an extreme operating environment, written consent and authorization from Abracon LLC is required. Please contact Abracon LLC for more information.
